§§ The 2017 Integration Bee §§

An annual Mathematics competition in which students compete head-to-head to solve challenging integrals!

In each round, students are pitted against the clock and each other to see who can derive the correct closed form solution to an integral, and the fastest correct solution advances to the next round.

The top 4 integrators will receive Jamba Juice gift cards, the top 2 will receive a math-related book, and the winner will be granted the title of **Grand Integrator** and will be able to don the legendary **Hat of Integration!**

Friday, June 2nd
4PM – 7PM, AP&M 6402

Dinner and refreshments provided!
